Present position

Medical Specialist, Senior Attending Physician, 2nd year Trainee in gynecological oncology

Department of Gynecology and obstetrics of the University of Ulm, Prittwitzstr. 43, 89075 Ulm Germany

Professional Summary

I am a specialist in gynecology and obstetrics with over 10 years of experience in both conservative and operative care. I completed my medical studies in Republic of North Macedonia and finalized my professional training in Germany. Throughout my career, I have continuously enhanced both my language and clinical skills, with a strong focus on surgical and diagnostic procedures.

My primary interests lie in the prevention and diagnosis of cervical, vaginal, and vulvar dysplasia, as well as breast cancer. I am also deeply committed to the field of gynecological oncology, particularly in the management of cervical and vulvar cancers.

I am eager to further expand my expertise in the surgical treatment of gynecological tumors. Attending workshops, congresses, and specialized training programs in various hospitals has provided me with valuable opportunities to grow professionally and pursue my long-term goals.

Education I Professional qualifications

2004-2010: Medical Studies at the of the University St. Cyril and Methodius, Skopje, Republic of North Macedonia

(2011: Medical License to practice medicine, Skopje, Republic of North Macedonia)
